Web:www.radiantacademynoida.com

Radiant Academy is a School established and run by Vidya Vihar Nyas Samiti with the objective of imparting quality education to all sections of society. The aim of the School is to provide quality and cost effective education to all sections of society. The School is run by successful Professionals who have achieved the highest in their field and want to contribute something to the society.

Ready to impart quality education at affordable cost.

Aspiration to excel in all fields of endeavour.

Development of multidimensional personality.

Imbibe moral, cultural and patriotic values.

Aim to foster international understanding and brotherhood through modern education,

Nurture the creative potential of the child.

Train not only to find a challenging career but also to face the complexities of life.

Chairman's Desk

Today I am pained to see our country divided into two halves, one which is well educated, qualified, skilled and with a greater earning capacity due to education. The other half which some writers call Bharat still mired in tradition, beliefs, superstition and thus less skilled and with less earning capacity. This dichotomy has created an almost

explosive situation which may destroy the very foundation of our society and country. Inclusive quality education is thus the most important need for the unity of our country.

We hope to endeavour to this goal doing what little we can to make our country united and strong.

Mr. P.N. Sinha

Principal's Desk

My teachers and I at Radiant Academy believe we not only have to make the child who comes to us educated but also impart a healthy influence on his/her personality so that the child becomes a well adjusted citizen. Students from our School not only excel in the Board examinations conducted by CBSE but also in various competitions conducted in Noida

and outside. As the leader of a trained, well qualified and dedicated staff we will endeavour to see that the education imparted in our School not only enlightens the students but also goes a long way in strengthening our Society and our Country.

Mrs. Rajani Singh
